Story

Simply adorable!

Cuddling and caring are the best things in the world! That's why the big, strong lion wants to learn how to be nice, not scary. Theo the Frog tries to explain how to love someone, and a choir of animals sings a merry song to accompany him. Because one thing is certain: there are people in this world whom we like better even than chocolate ice-cream with whipped cream, more than our favourite game or our teddy. And this feeling makes us so happy that we want to go and embrace the whole world!
