Story

- **20 wonderful 7-minute stories to read aloud or by yourself**
- **Cheeky colour illustrations on every page**
- **Kids will love the little mischief maker Henry!**

Life is humming at the Marvellous Mansion! Ever since raccoon Henry has moved into one of the old washing machine drums at the café, there is hardly a day without an adventure for Matilda and her cousin Joschi.

The authors skillfully combine stories about the everyday life of children with surely one of the biggest dreams for children: having a talking pet with whom one can experience lots and lots of real adventures! The Mansion opens its door to incredibly charming and original stories for children and the whole family!

In Volume 3 Matilda, Joschi and the raccoon Henry experience an awful lot together: they discover letters under the sofa, have a sleepover in the garden and Henry wants to open his own little shop. When grandma's oven doesn't want to work family Grankvist experiences a real cinnamon bun miracle...
