Story

Hammering, fixing, building!

It's such fun hammering things together! Whether in a workshop, in playschool, or on a building site, there is plenty of hammering, sawing and drilling going on! Clara and Toby are great helps at fixing bikes, making bird houses and creating lovely window decorations.

There is so much to discover – and that little drill is hiding, somewhere. Each double-page illustration features one of the many peepholes it is hiding in.

A higgledy-piggledy collection of tools for seeking, finding and telling stories about!
